Name an image that is on more than one album and which albums it is on:

8.jpg is in both "Photos taken prior to 2016" and "Scenery."

Name an image that is not on one album but not others:

9.jpg is in "Photos taken prior to 2016" but not in others.

I did not make any changes to my schema.

Photos

name	type	size	Allow null	Primary key
